Housing Summary
February 2016

| Theme that Emerged | Impact on Solution Plan | Action Commitments |
|--|--|---|
| 1) Housing stock remains a pressing yet stubborn problem for Northside families that requires a long term breakthrough strategy | Continue and strengthen implementation of EAI 3.2 Add an explicit policy component to EAI 3.2 | NAZ will convene housing leaders to develop a policy agenda around housing in the next 12 months prior to the next Results NAZ meeting to include: <ul style="list-style-type: none"> • Meet and strategize around a creative and intentional strategy to which MPHA can commit in the next three months • Explore Promise Zone designation options to move policy and/or funding • Explore state, county, and/or city options while pursuing ways to make each more responsive and effective for Northside families |
| 2) Tenant, Financial, and Parent Education are important components for all families to maintain their housing stability | Continue and strengthen EAI 3(1) | NAZ will: <ul style="list-style-type: none"> • Convene a discussion with housing leaders to re-launch tenant education in the next 6 months (including curricula, funding, and hosting) • Strengthen intentional recruitment of families with housing needs into NAZ Foundations classes • Connect with and support families with housing needs to Financial Education classes |
| 3) Coordinated supports are needed to strengthen families in the interrelated areas of housing and career/finance | Continue and strengthen implementation of EAI 3(2)/4(4), 3(3), and 6(3) | NAZ will: <ul style="list-style-type: none"> • Convene housing partners to identify strong legal resource partners in the next 6 months • Enact Housing Stability Goal Plan with families to prepare for changes in financial supports and for long term goals • Support and “high touch” families with housing needs to access Career/Finance navigation and financial coaching in order to meet their goals |
