

BIG BROTHERS BIG SISTERS (BBBS) LOGISTICS 2021

Overview

Big Brothers Big Sisters of the Twin Cities offers Community Based mentoring to scholars (Littles) ages 8 -13 years old. Caring adult mentors (Bigs) are matched with a Little and spend time out in the community together doing activities they both enjoy. While the primary relationship is between the mentor and mentee, it is very important that the parent/guardian is engaged and involved. This program follows a traditional 1:1 mentoring model.

Talking Points

- Eligible to scholars ages 8-13 who reside in Hennepin, Anoka, Dakota, Ramsey and Washington counties.
- The program asks for a one year commitment from both the scholar family as well as the volunteer (mentor and mentee meet 2-4 times per month)
- Free (BBBS helps matches find things to do in the community as well as puts on their own programming activities)
- Safety: child safety is top priority. All staff and volunteers undergo a thorough background check and screening process. A match support specialist is assigned to the match and will help support the match along the way.

Process to Enrollment

- Coach to provide family with flyer and or link: [BBBS Enrollment Link](#)
- Coach to begin process to update the family's ROI to include BBBS
- Coach to document family interest in NAZ Connect as a progress note.

NOTE: BBBS will communicate with our data innovation team and provide a report of families that have completed the BBBS interest form. *Coaches will be notified when they have a family that has started the enrollment process with BBBS. Coaches will then be responsible for entering a goal and goal step in NAZ Connect and updating ROI's if this has not yet been updated.*
