

FAMILY ACADEMY RECRUITMENT & LOGISTICS

OVERVIEW

Family Academy offers a series of classes designed to provide NAZ parents & caregivers skills, confidence and a community of other families to learn and grow with. NAZ's goal is for **all** enrolled adults to complete Foundations, as well as any other classes corresponding to the age(s) of the scholar(s) in the household.

BENEFITS

- Graduates from Family Academy classes are more likely to apply strategies that support their scholar(s) academic and social/emotional success.
- Families are more likely to complete their Family Achievement planning goals after participating in and/or graduating from a Family Academy class.
- Virtual Family Academy classes have been convenient for many families who would otherwise be unable to attend.
- Family Academy will support NAZ families that are in need of technology
- **GET \$PAID\$ TO LEARN:** Graduates from a Family Academy class receive a stipend between \$150-\$200.
 - **College Bound Babies:** \$200
 - **Ready to Succeed:** \$150
 - **College Bound Scholars:** \$150
 - **Foundations:** \$150

“FAMILY VOICES”

- “I learned new discipline strategies and ways to reinforce positive behaviors”
- “I enjoy reading with my scholar. We try to read every night now.”
- “I spend more time communicating with my scholar’s teacher. Collaborating with the school and advocating for my scholar is important to me!”
- “I’m not alone! I met a lot of parents with some of the same struggles and now I feel supported by other parents”
- **“Thanks to my NAZ worker I was able to attend this class (RTS) and it could not have come at a better time.”**

- “I was intimidated by technology at first but now I can log into my class quickly and even help my scholar log into their class too.”

TARGET

- 20 enrolled adults per class per session

NAZ LINK DATA

Running Reports:

- You will need to run a few reports to help guide your recruitment efforts.
- To see who is eligible to take Foundations you will need to run the [Foundations Recruitment Report](#). This report pulls those eligible to take the course and filters out anyone that has successfully graduated in the past from this course.
- You will also need to run a [Family Academy Recruitment Report](#). This report will show if they are eligible for the class simply based on the age(s) of scholars in the home. *This report does NOT cross reference if a person has successfully graduated from the course in the past.*
- To confirm whether someone has successfully completed and graduated from a class you will need to run the [Family Academy Graduation Report](#).
- To run any of the above mentioned reports follow the directions as stated in [this](#) link.

Sending a referral:

- When you have a family that is ready to enroll in Family Academy you will send a referral to the Family Academy Team in NAZ Link and include the class in the context box. Please follow the instructions as posted on the portal to send a referral. [Make a Referral](#)

FAMILIES RECRUITING FAMILIES

Many times, the testimony of those who have participated in classes are the most influential voices for recruitment. Encourage families who have graduated from FA classes to spread the word to their family, friends, and community members.

- Families can receive a \$25 gift card for each family they recruit, up to three.
- These recruited families must attend three classes before they are eligible for the gift card(s).
- Referring family will receive an additional \$25 gift card once the family that was

referred graduates from the class.
