

# MODEL FOR INTERNAL LEADERSHIP ALIGNMENT

## FAMILY ACHIEVEMENT LEADERS

- Strategize with CI leaders for high alignment
- Hire, train, and supervise Coach Team to be high performing change agents across any setting in one effective system
- Train and support parent leaders in their advocacy efforts
- Integrate Family Achievement work as powerful change strategy within site and policy change

## COLLABORATIVE IMPACT LEADERS

- Strategize with Family Achievement leaders for high alignment
- Work with partners individually and in Action Teams to implement all elements of Results Plans successfully including the coach strategy. Focus on systems change.
- Work with FA leaders to partner with parent leaders
- Support Family Achievement leaders to know site-specific issues, opportunities for the coach role, and for parent leaders to lead systems and policy change
