

NAZ Collaborative Influence

Direct Impact and Indirect Influence

Direct Impact:

NAZ-enrolled Focus:

Work with 1000 NAZ-enrolled families annually across Northside and targeted/clustering in the Zone. Use targeted approach as a learning ground for broader work.

NAZ Strategies

- Families at the center & a team approach
- Parent leadership
- Data-driven process
- Continuously improving

Indirect Influence:

Culture and Community

Parents and scholars influence each other beyond NAZ process.

Influencing Policy

Use learnings and mobilization of parents from NAZ-enrolled process to influence systems and policy

Influencing Partners through Collaborative Testing Ground

Partners integrate strategies tested through NAZ process across organization to impact beyond NAZ enrolled families.
