

# OST RECRUITMENT LOGISTICS

---

NAZ Out-of-School Time (OST) partner PCYC is offering in-person after school programming. Programming begins for scholars in grades K-2 on February 22, 2021. Programming begins for scholars in grades 3-5 on March 1, 2021.

## TALKING POINTS

- NAZ scholars have the opportunity to attend FREE afterschool in-person programming.
- Scholars are more likely to increase academic performance during the school year when they also attend academic enrichment outside of school.
- PCYC offers scholars: snacks, math/reading, homework help, individual help, and enrichment activities.
- PCYC is following a variety of safety protocols that are guided by the State of Minnesota's Safe Learning Plan and Department of Health guidance to help reduce the risk of COVID-19.

## LOGISTICS

- A robocall and a mass email will go out to all families regarding the opportunity to register for OST with PCYC. *Families will be instructed to contact their coach if they would like to register. If a family is interested in registering please follow the NAZ Connect Data instructions below.*
- Coaches to share program registration information with families during regular scheduled achievement plan meetings and phone calls.
- Programming starts February 22 for scholars K-2
- Programming starts March 1 for scholars in grades 3-5
- Have additional questions about programming? Contact Bright Futures Program Director at 612-643-2096

## TARGET

- Space is limited at 50 scholars.

## NAZ CONNECT DATA

- Enter notes and log activity for all contacts regarding OST recruitment. *Please remember that families will be reaching out to you if they are interested in registering for OST*

*programming with PCYC.*

- Set appropriate goal within each scholar's record
- Update scholar and parent ROIs as needed. *Please ping your manager with the subject "urgent OST ROI Update needed for household ID #xxxxx"*
- Send connection to program leader once ROI has been updated (see table below)
- Update goals and steps as needed
