

# OST RECRUITMENT LOGISTICS

NAZ Out-of-School Time (OST) partners are offering programs for scholars K-12 during the 2020-2021 school year.

## TALKING POINTS

- NAZ scholars have the opportunity to attend FREE afterschool programming! NAZ programs offer activities and field trips to boost scholars' academic and social emotional learning.
- Scholars are more likely to increase academic performance during the school year when they also attend academic enrichment outside of school.
- Our OST programs use differentiated instruction supports to support the needs of our schools. Some supports include homework help, live action programming, on-demand activities, and fun enrichment activities to keep scholars engaged in-person and/or online.
