Motivates and inspires young people to dream about the future with steps and tools they need to achieve their goals. Scholars attend goal-setting workshops every month in every English/Language arts classroom.

Other benefits:

- Professional and student theater experiences
- College tours
- Outdoor experiences
- Freshman orientation

Scholars deepen their skills and experiences, build life skills, build supportive relationships, confidence and motivation, and graduate with a plan for the future.

15-18 Years old
2.0 GPA Requirement

Provides teens 15-18 years old with lasting and meaningful work, life and leadership skills through experience and training in an urban, non-profit bakery. This 90-day, hands on job training program teaches essential employment skills to every teen coming through the Cookie Cart kitchen.

- Customer Service training
- 360' work readiness
- Financial literacy
- Prep to take the National Career Readiness Certification

14-21 Years Old

STEP-UP is a nationally recognized youth employment program that trains and matches Minneapolis youth ages 14-21 with paid internships. As one of the country's premiere youth employment programs, STEP-UP serves populations that face some of the greatest barriers to employment, particularly youth from low-income families, youth of color, youth from immigrant families, and youth with disabilities.

After STEP-UP interns complete training, they are eligible to work for pay at Minneapolis businesses and nonprofit organizations to gain job experience, explore career interests, and build professional skills.

12-21 Years Old

Develops community by engaging and employing young urban scholars in hands-on arts education initiatives that create pathways to self-sufficiency while actualizing creative power.
