HIGH SCHOOL TO COLLEGE SUCCESS

ROUNDTABLE

JUNE 15, 2017

MEETING AGENDA

- **Table introductions**
- **The Results NAZ continuous improvement process**
- **Notable findings**
- **Key questions**

RESULTS NAZ

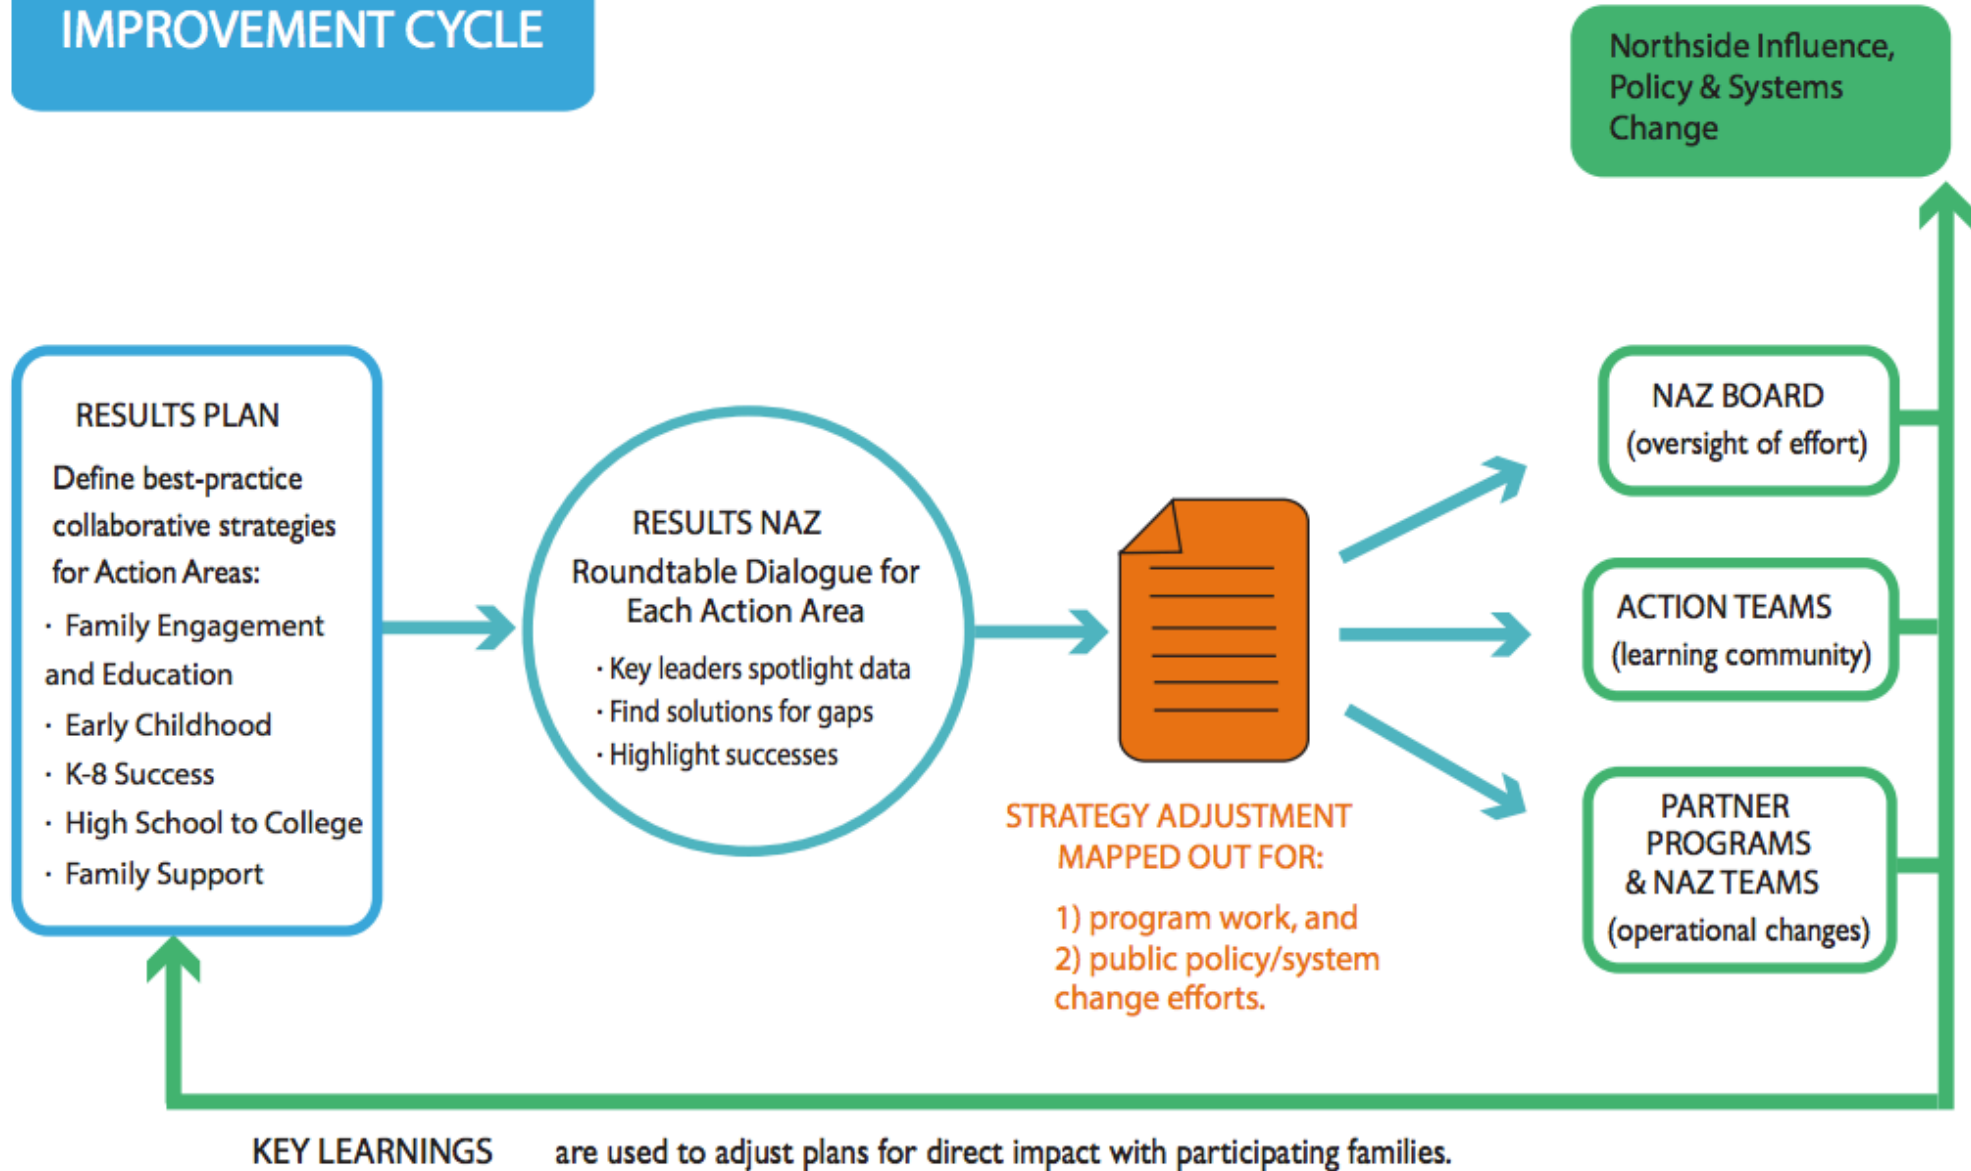

INTRODUCTIONS

RESULTS NAZ

NAZ CONTINUOUS IMPROVEMENT PROCESS

NAZ CONTINUOUS IMPROVEMENT CYCLE

WHAT WILL IMPROVE?

HIGH SCHOOL TO COLLEGE SUCCESS RESULTS PLAN : RESULT

NAZ scholars will graduate high school college-ready, enroll in an optimal post-secondary program, complete a credential within 150% of their program length, successfully enter a career pathway and be engaged civically in the community.

RESULTS NAZ

NOTABLE FINDINGS

NOTABLE FINDINGS

Strengths and Needs of Scholars

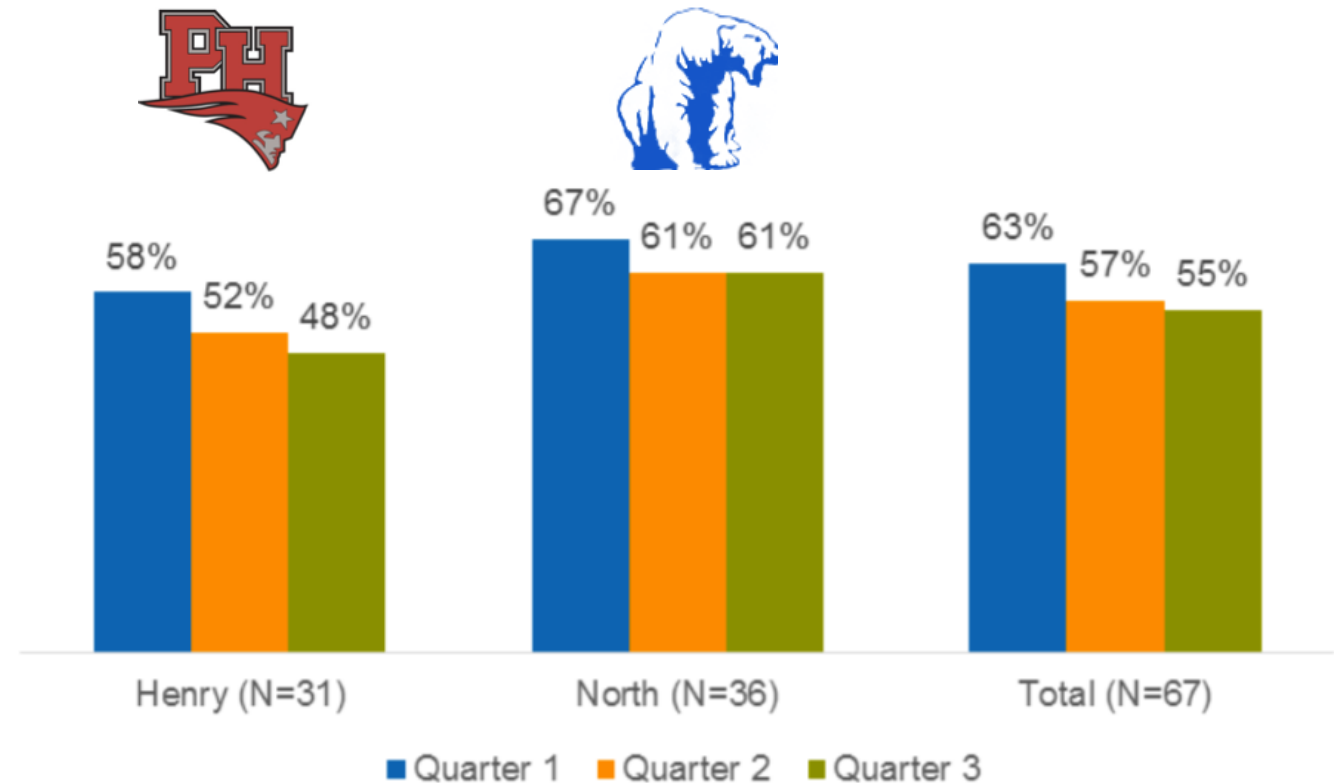

Pages 1 & 8

Many programs require a GPA of 2.0 or higher.

Fewer than 2/3 of NAZ H.S. scholars meet this standard by the end of the first quarter of AY 2016-17.

Just over half could meet it as of the end of the third quarter.

5. Percent of scholars with a GPA of 2.0 or greater, by quarter

Source. Data provided by NAZ staff, analyzed by Wilder Research.

NOTABLE FINDINGS

NAZ Participation and Supports

Of scholars who had, or whose parents had goal plans, 17% had at least one goal or step; the proportion was higher (26%) among those who participated in an OST program during AY 2016-17.

Scholars or Parent with goal plan completing 1 or more goals or steps

■ Completed ■ Incomplete

Scholars or Parent with goal plan and OST program enrolled in 2016-17 completing 1 or more goals or steps

■ Completed ■ Incomplete

NOTABLE FINDINGS

NAZ Participation and Supports

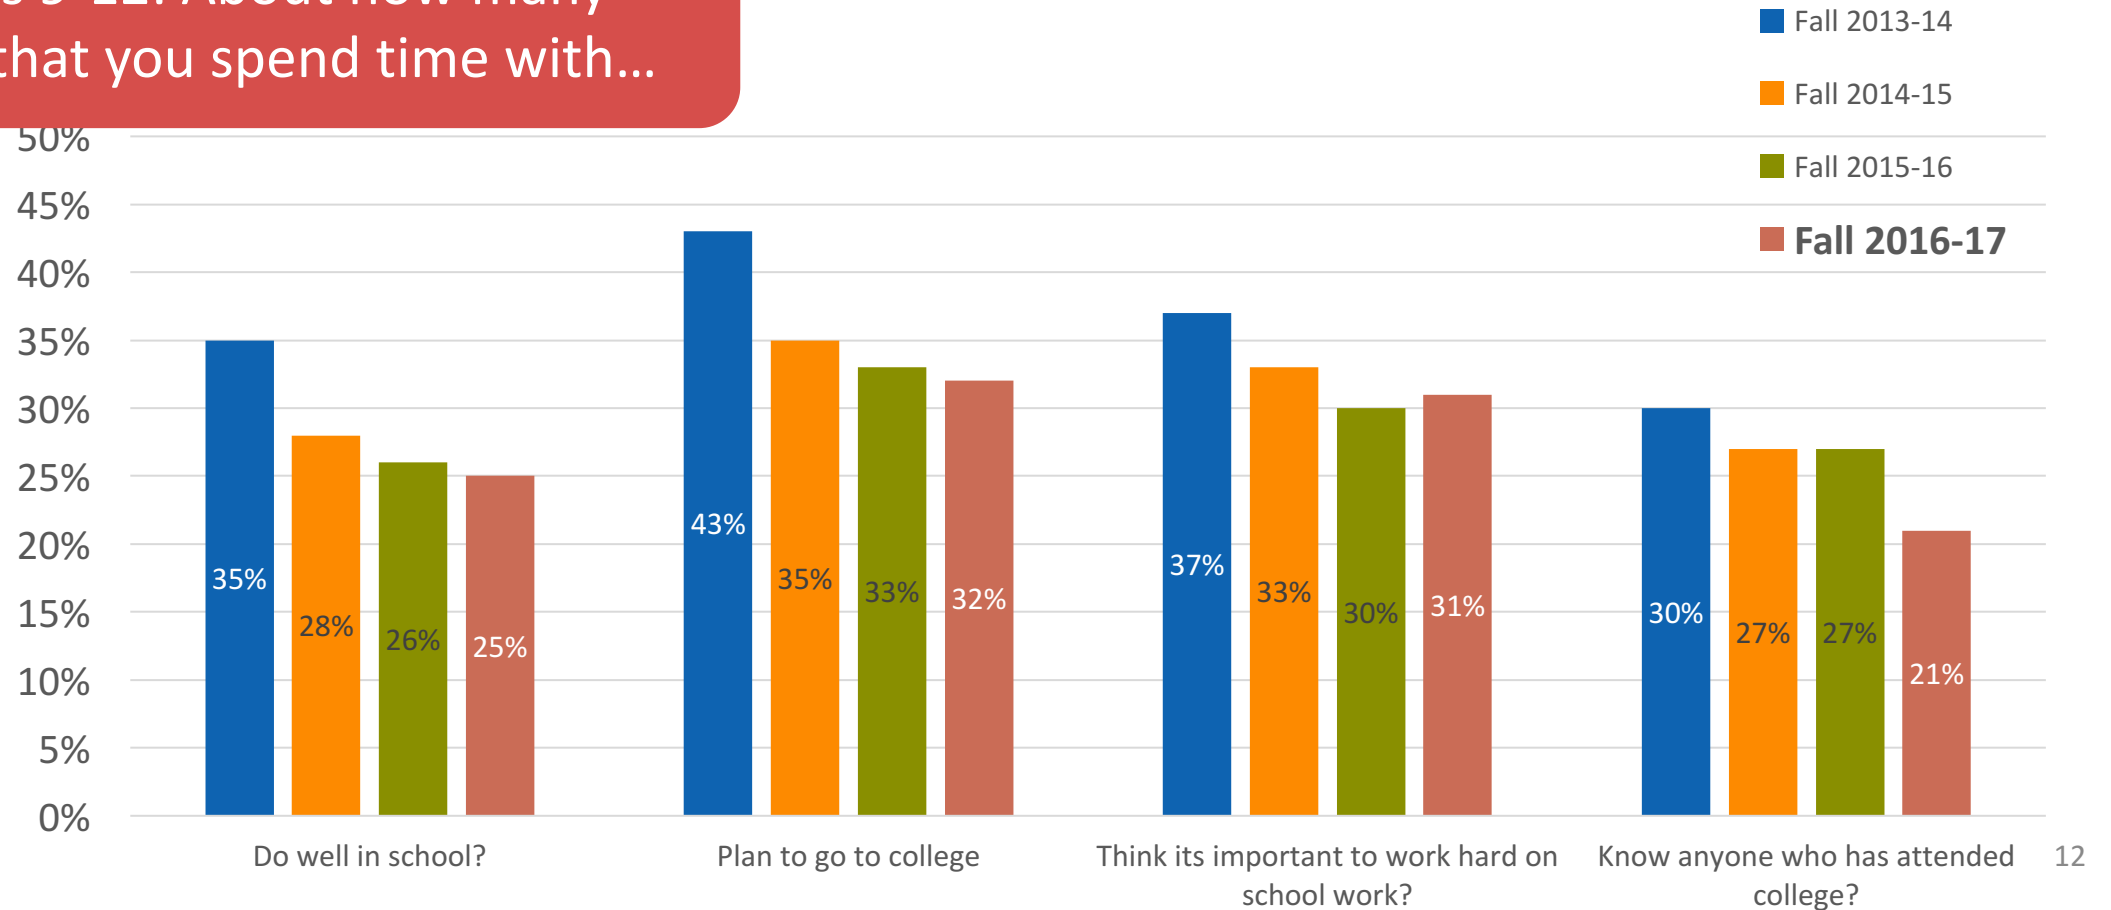

Scholars working with Family Achievement Coaches tended to complete more goals if their parents were also working with Coaches.

NOTABLE FINDINGS

Students in NAZ partner high schools.
College going culture.

Grades 6 -8: About how many friends that you spend time with...

NOTABLE FINDINGS

College going culture: NAZ enrolled parent's advice to their H.S. scholars about college and career preparation

It appears that NAZ-enrolled parents of older children... have increased their involvement in guiding the scholars' course and program selection over three years of the survey, while zone-wide responses have remained similar between 2013 and 2015.

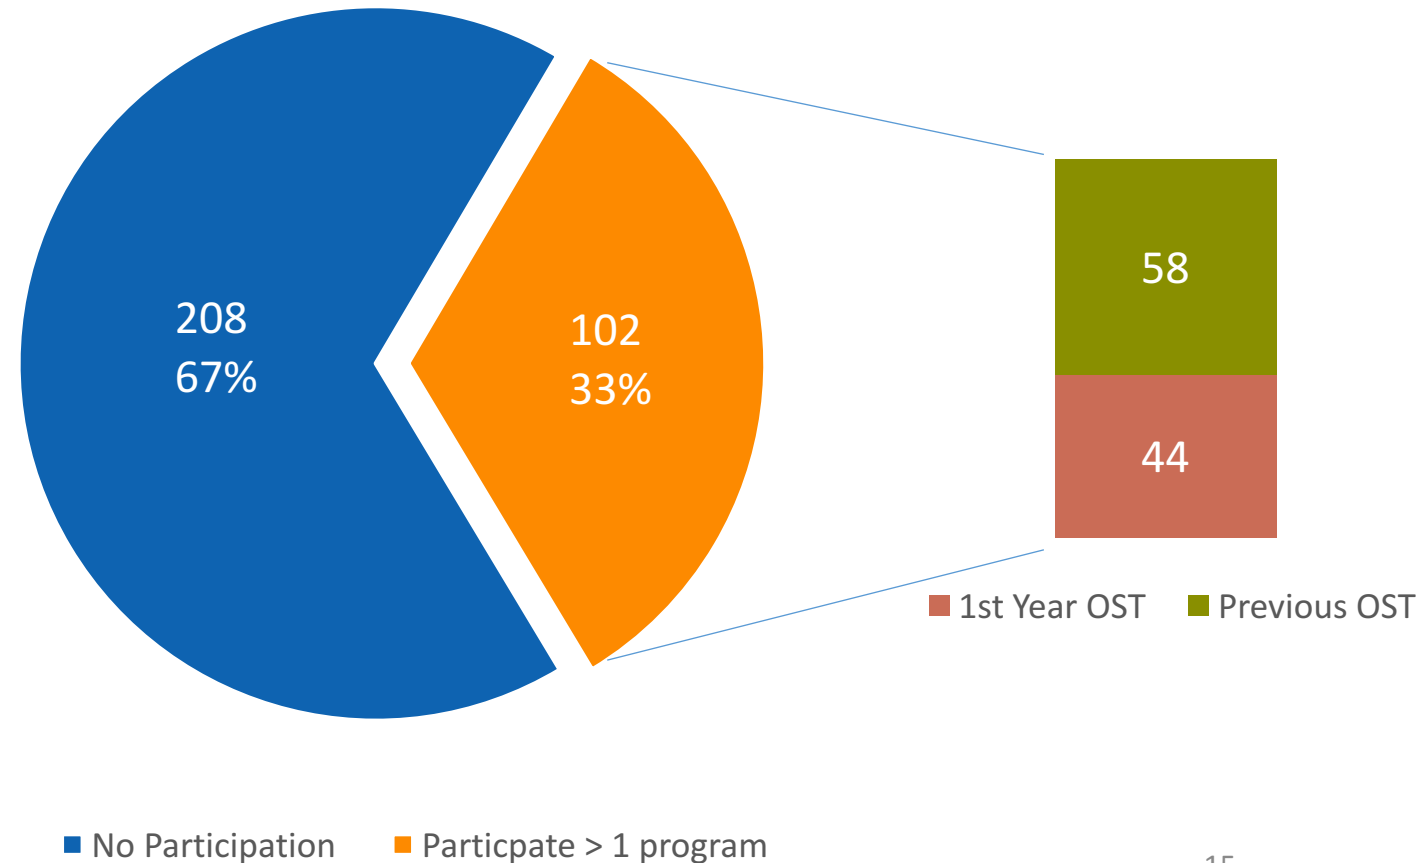

NOTABLE FINDINGS

Out-of-school-time (OST) program participation

Of 310 high school scholars enrolled in NAZ, 33% (102 out of 310) participated in at least one OST program during the SY 2016-17 including Achieve Minneapolis and Project Success. Of the 102 who participated 43% were first time participants and 57% had participated in a previous OST.

OST Participation

NOTABLE FINDINGS

Results Plan strategies and Key Elements

What would your organization most like NAZ's help to strengthen?

Help youth apply for college

Stay in contact during first year of college

Share data of how program youth are doing in school

Help organization connect to parents; workforce partners

Train program staff on NAZ Connect

Interests of 9th graders for better placements

RESULTS NAZ

KEY QUESTIONS

KEY QUESTION

2017 RESULTS PLAN : RESULT

Given that more than two-thirds of NAZ-enrolled scholars do not meet some partner program requirements of having a G.P.A. of 2.0 or higher, what are opportunities programs could create to facilitate participation of more NAZ scholars?

KEY QUESTION

2017 RESULTS PLAN : RESULT

How can we -- NAZ and Programs -- collaborate to engage parents?

KEY QUESTION

2017 RESULTS PLAN : RESULT

Per the Results Plan, how can the NAZ collaborative support scholars with positive identify development (including race and culture)?
