Table Introductions
RESULTS NAZ

EVALUATION
- Solution plan development
- Formative evaluation
- Frame key questions

Developed with:
- Key NAZ staff
- Action Team leaders
- Evaluators

You are here

ROUNDTABLE
- Key leaders spotlight data
- Find solutions for gaps
- Highlight successes

NAZ BOARD
(oversight of effort)

ACTION TEAMS
(learning community)

PARTNER PROGRAMS & NAZ TEAMS
(operational changes)

KEY LEARNINGS are captured and implemented through the ongoing internal evaluation process. Full evaluation repeated annually.
HOUSING SOLUTION PLAN
RESULTS

● Housing

Parents will have stable, affordable, healthy housing so their children will succeed academically.

● Implementation (current)
April 2015 Housing Results NAZ themes:
- Increasing affordable units and/or stability supports to increase stability rate
- Supporting parent behavior (ie- starting renter trainings, etc)

Since then ... an update from NAZ Partnerships Director
How are families better off in relation to this goal?
% of families in navigation who have a stabilization*

*in this report, stabilization = one or more of the following: (a) resolve mortgage foreclosure, (b) obtain new rental housing, (c) resolve barrier to maintain current rental housing, (d) become a homeowner
Effect of Stabilization on Family Mobility

- After stabilization*, families that have been stabilized are less mobile than they were prior to stabilization

Main reasons for moving, of all NAZ families for whom a reason was recorded (n=42)

- Family found a better opportunity: 14%
- Family unsatisfied with condition of property: 19%
- Notice to vacate: 19%
- Eviction: 33%

Effect of Stabilization on Family Mobility

Average moves BEFORE stabilization (n=82) = 0.8
Average moves AFTER stabilization (n=150) = 0.6

*in this report, stabilization = one or more of the following: (a) resolve mortgage foreclosure, (b) obtain new rental housing, (c) resolve barrier to maintain current rental housing, (d) become a homeowner
• Stabilization* may have an impact on scholar attendance

*in this report, stabilization = one or more of the following: (a) resolve mortgage foreclosure, (b) obtain new rental housing, (c) resolve barrier to maintain current rental housing, (d) become a homeowner
Solutions
Parents seeking support from more areas of the NAZ Family Support team were more likely to complete goals and goal steps than those involved in only one area of the pipeline. 31% of families who received Housing Navigation also received Career/Finance Navigation.

<table>

*As asterisks denote that the difference is statistically significant at the 10 percent level. No other differences in average number of goals or steps are statistically significant.*
COORDINATED SUPPORTS HELP: navigation and connection

- Families who meet more frequently with their Housing Navigator and Connector complete more goals or goals steps.

- Note: participation in Navigation may imply higher readiness or need to address housing goals.

![Graph showing average number of housing goals or goal steps completed, FY15](image_url)
COORDINATED SUPPORTS HELP: funding and navigation

- A higher percent of families complete goals or goals steps when they have funding options

Families completing a housing goal or step, FY15

- 71% on NHSF
- 76% on ATS
- 36% in navigation, no funding
- 9% not in navigation, no funding
INCONCLUSIVE: PARENT EDUCATION

- Only 34% of families participating in Housing Navigation completed any Family Academy course
- Goal completion is not significantly different between those who completed a course and those who did not

<table>

KEY QUESTION

- If resources + coordinated support + parent education lead to greater stabilization, what can we most effectively impact in the next twelve months to accomplish our desired stability goals?
  - Resources: housing stock
  - Coordinated support: cross-sector, navigation, connection
  - Parent education: Family Academy, other
